Roller chain 12B-1 Transfer chain, maintenance-free - JWIS

Part no.: 50032663
Packaging Unit: 5,024m

Brand: JWIS
Model: Transfer chain
Surface: maintenance-free

Produktbild folgt in Kürze

Technical data

ROLLER CHAIN	12B
Pitch p (mm)	19,05
Roller diameter d1 max. (mm)	12,07

Product Information

Fully enclosed transfer chains (= TF) with wear-resistant, rugged snap-on plastic attachments prevent malfunctions caused byforeign bodies etc. The chain is particularly suitable for machine-processed parts, even items with sensitive surfaces.

Highlights:

- All-round protection of functional components of the chain: attachments enclose the chain on three sides, even in the vicinity of sprockets
- Base chain MEGAlife
- Gentle handling of delicate goods
- Close-fitting covers prevent the risk of injuries and malfunctions
- Outside of the chain is absolutely clean, so there is no accumulation of dust
- Drive chain always remains clean, even under adverse operating conditions
- Suitable for horizontal and vertical installation
- No lifting of the load in the vicinity of the sprockets

Applications

- Warehouse technology, materials-handling industry
- Food processing industry
- Packaging industry
- Mechanical engineering and systems construction
- Electronics industry and PCB manufacture
- Pharmaceutical industry, medical technology
- Glass, ceramic and building material industry
- Printing industry, paper manufacture
